Course Synopsis

The Associate Diploma in Clinical Aromatherapy Course (ADCA) is comprised of five modules. This introductory module is provided as a general but thorough introduction to the safe use of essential oils at home for general health and enhanced wellbeing.

Duration	:	Intensive 5 day course
Course fees	:	\$1,550.00 (include gst)
Schedule date	:	16- 20 November 2007, Friday – Tuesday
Training time	:	9:30am – 4:00pm
Venue	:	Suite 15 South Gate, 87 Canning Hwy.

Educational and Learning Outcomes:

Participants will gain an understanding of

- Aromatherapy massage, its principles and benefits
- The properties and effects of 15 of the most popular essential oils
- Methods of extraction and storage
- Blending and the use of carrier oils
- The history of aromatherapy and massage together with the philosophy of holistic healing
- An introduction to botany, plant cell function and photosynthesis

Course Structure:

This is an intensive 5 day course and is assessed via -

- 10 case studies
- 5 theoretical essays
- A research assignment

Extensive course notes are provided to enable students to gain the required theoretical knowledge. This is further supported by opportunities for relevant practical experience.

Upon completion of this module, participants will be presented with a Certificate of Attendance issued jointly by Australasian Academy of Wellness Therapies and The Penny Price Academy of Aromatherapy (UK). Students are then eligible to continue their studies by completing further modules toward the ADCA qualification.

Prerequisites & Co-requisite:

- Anatomy and Physiology
- A current First Aid certificate is required at completion.
