POST-GRAD. CERTIFICATE IN SPA THERAPIES COURSE CONTENT

Three units from the Accredited National Beauty Training Package for the Diploma level are covered in the syllabus. Our unique, enhanced training format also covers introductions to additional therapies. The following is an outline of topics offered in this course.

Lomi Lomi - the ancient art of Huna Hawaiian massage

A style of massage that was passed down from the ancient Hawaiian healers and Herbalist is performed along with a graceful and flowing rhythmical dance, utilising nature and the elements to increase the body's natural energy flow.

Indian Head Massage - introduction to scalp and shoulder massage techniques.

This is a fantastic massage as it can be performed without oil, making it perfect as a mobile treatment to relieve stress and muscle tension in the office

Hot Stone Therapy - introduction to the ancient art of hot stone massage techniques

Using the combined methods of Aromatherapy and Swedish massage, this therapy is specially designed to stimulate the flow of energy through the body, promoting balance and a feeling of wellbeing.
